Some of our members

Thursday June 15 will be the last meeting of PSPCS before we retire for Summer break (July and August **no meetings**). It time to make those weekend or longer trips in the car or even by other modes of transportation. We will be on the hunt for those items to add to our collection or a new story to share. It maybe found in that back shelf of the antique mall or a pawn shop in a little unknown town but the hunt makes it all the more fun.

It has been eight years as your President and the group has come a long way. We moved to a new meeting place after over 25 years at our former location; moved back to Kent Commons for our annual show and have bought many photographic collections from non-members and members. Many of those items have found their way into our collections.

We requested our 501 exemption from the IRS and received our 501c7 exemption this past Spring. We are in good financial shape and look forward putting on many more of our annual shows and special member only sales in the years to come.

Enjoy your summer photographia hunting ...
